## Forestburg Scout Reservation 2012 Summer Camp

Forestburg is two camps in one: Dan Beard Camp at one end of the lake and Billett Camp at the other end. Dan Beard Camp is the patrol method in action where Scouts cook their meals in their campsite. Billett campers enjoy eating in the dining hall and share fellowship with other Scouts during meals. Both camps share the program areas and waterfront. Summer camp is when Forestburg comes to life. Our top notch program and talented staff will provide all the opportunities a Scout can handle.

## MERIT BADGE MADNESS

Scouts can earn a wide variety of merit badges at Forestburg. Both traditional summer camp badges such as Archery and unexpected badges such as Space Exploration are on the menu. Scouts learn best in small groups focused on a specific topic.

Which badges will you wear on your merit badge sash?

Archery, Art, Astronomy, Basketry, Camping, Canoeing, Climbing, Communications, Computers, Electricity, Electronics, Emergency Preparedness, Environmental Science, First Aid, Fish and Wildlife Management, Fishing, Forestry, Indian Lore, Leatherwork, Lifesaving, Mammal Study, Nature, Nuclear Science, Orienteering, Photography, Pioneering, Radio, Rifle Shooting, Rowing, Shotgun Shooting, Small Boat Sailing, Soil and Water Conservation, Space Exploration, Swimming, Weather, Wilderness Survival and Wood Carving.

## FRONTIER CAMP

Scouts that want the flexibility to schedule their own program choices, but still focus on learning the requirements necessary for a specific rank should find their way to our Frontier Camp.

Frontier Camp is an opportunity for Scouts to learn the requirements for a specific rank in one program period during the day. This allows the Scout to maximize their ability to earn merit badges and still focus on advancement to the next rank.

Scouts may choose multiple periods of Frontier Camp if they wish to work on requirements for more than one rank. Also class FC4 in period G works on areas of advancement instead of a specific rank. This is in case a Scout is only missing one or two things. Daily drop-ins are welcome in FC4 as long as space is available.

While in Frontier Camp, Scouts will have the opportunity to learn many of the requirements needed for the ranks they choose to sign up for. Scoutmasters will receive a progress report on each Scout at the end of the week. It is up to the Scoutmaster to review the Scout's completion of requirements before signing them off.

## Buckskin Campers

Our Buckskin Camper program is a full day program intended specifically for first year Scouts. This program will place Scouts in a Patrol for the week and allow them to get hands on training in a wide variety of Scouting skills while learning rank requirements for all ranks. The Buckskin Camper program is an opportunity for Scouts to try their hand at knot tying, some basic outdoor skills, learn a little first aid, learn to lash, and even take a nature hike. The big thing here is to have fun while trying.

While in the Buckskin Camper program, Scouts will have the opportunity to learn many of the requirements needed for the ranks of Tenderfoot, Second Class and First Class. Scouts will also sign up for merit badge classes in Period A and C in the mornings. Scoutmasters will receive a progress report on each Scout at the end of the week. It is up to the Scoutmaster to review the Scout's completion of requirements before signing them off.

## High Adventure Outback Program

Our Outback Program has been created for Scouts who take the trail less traveled. Exciting event-packed days of the best high adventure challenges the Catskill mountains lakes and rivers offer. Delaware River canoe trek, horseback riding, rock climbing and rappelling, water skiing and water tubing and an overnight mountain biking trek make this program popular with our senior Scouts. Specifically for Scouts 14 and older with a minimum of the rank of First Class. No experience is necessary. Great as a Senior Patrol Activity!

This program is offered during each week of the FSR Summer Camp program. Each week this program is limited to the first 16 Scouts who pay their non-refundable \$100.00 deposit. The total cost for this program is \$385.00. There are no discounts available. Participants will camp with their home or provisional Troop during their participation in this program.

## Trail to Eagle Camp Aug 05th — Aug 11th (Week #5)

Offered only during Week 5, Scouts who have already attained the rank of Star or Life and are recommended by their Scoutmaster are invited to attend. This program will focus on providing Scouts along the Trail with specific workshops on the Eagle process: from selecting a quality project, guidance on planning, leadership skills thru the project write-up, Board of Review and planning a Court of Honor. Participants are able to work on Eagle required merit badges in Eagle Week Base-Camp or those offered in the general camp. Afternoons and evenings are organized with outdoor activities, Road to Eagle workshops, outback overnight and one high adventure afternoon. Eagle Week brings in a specialized staff dedicated to this program. These adults are highly qualified and recognized as leading experts in providing the Road to Eagle guidance.

This program is limited to the first 16 Scouts who pay their non-refundable \$100.00 deposit. The total cost for this program is \$350.00. All participants will camp together as a Troop during their stay at Forestburg.
